## Wollongong Hospitality Jobs Drive

**Are you looking for work?  
Have you thought about a job in  
hospitality - a booming sector with  
enormous opportunity to learn new  
skills and secure solid employment?**

Cafes, restaurants and other hospitality businesses across Wollongong are looking to recruit hundreds of staff over coming weeks and months to meet increased demand. A Wollongong Hospitality Jobs Drive is being held during November and December 2021 to help fill these jobs.

If you're a jobseeker, student, or existing worker looking for extra hours, you should check out the jobs on offer at the Jobs Drive site:  
<https://app.kitl.co/local-jobs-illawarra>.

New jobs will be posted daily between 24 November and 10 December 2021 so be sure to check the site daily.

If you'd like to meet some of the employers, as well as the other services that exist to support you with training or finding and keeping a job, visit the Jobs Drive Hiring Day between 10am and 2pm on Tuesday, 7 December 2021 at Osborne Park in Wollongong (opposite Wollongong Harbour). Employers and others will be on hand to answer your questions and help you get into work!
